

20 AUG 1976

MEMORANDUM FOR: Executive Secretary

SUBJECT: Comptroller Meeting

1. Financial data through 31 July 1976 shows an Agency obligation rate of 34.7 percent, 1.4 percent above the straight-line rate of 33.3 percent for the Transition Quarter. We still have about in unfunded requirements, but no savings have been identified for use in funding any of them. Accordingly, there appears to be no need to call a Comptroller Meeting to review July data, and we will defer meeting to review our T.Q. financial status until 31 August data becomes available early in September. STATINTL

2. The on-duty strength on 31 July and the projections through 30 September are such that we see no reason at this time to change the authorizations granted to the DDI and the Office of the Director last month to be over strength at the end of the T.Q.

3. The House/Senate conferees are expected to meet next week to act on our 1977 Budget request. When the results of the conference are available, we will schedule a special meeting to review our status and consider means of meeting essential unfunded 1977 requirements. There may be some T.Q. items that will require discussion at that time. If you see a need for a Comptroller Meeting before we are ready to discuss the conference action, we can schedule one at any time. STATINTL
